Re: Grant Number OR2021-82862

Dear Manoel Galdino:

The Foundation to Promote Open Society (“FPOS”) is pleased to inform you that it has awarded Transparencia Brasil (the “Grantee”) a grant in the amount of 100,000.00 USD for the period from January 1, 2022 through December 31, 2023 to provide general support. We understand that Manoel Galdino shall be the person responsible for administering the grant on the Grantee’s behalf.

Upon receipt of a countersigned copy of this agreement, and provided any outstanding reporting requirements resulting from this or previous FPOS grants have been satisfied, and a representative of the Grantee has registered with FPOS’s online Foundation Connect system, FPOS will pay the grant as set forth below:

Date	Amount
January 2022	100,000.00 USD

The Grantee has been determined to be the equivalent of an organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the “Code”), and not a private foundation or supporting organization as defined in Section 509 of the Code. By signing this agreement, the Grantee represents and warrants that there have been no changes in the facts contained in your Equivalency Determination Affidavit and agrees to give FPOS immediate written notice should any of these facts change. FPOS is making this grant on the basis of these representations.

In addition, the Grantee agrees:

1. to use these funds solely for religious, charitable, scientific, literary or educational purposes as defined by Section 170(c)(2)(B) of the Code;
2. to maintain adequate financial records consistent with generally accepted accounting practices and to retain such records for at least four years after the conclusion of the grant period;
3. to allow FPOS to conduct site visits to observe, review, and discuss the Grantee’s operations; and

4. to allow FPOS, at its discretion, to publish information regarding this grant and the Grantee.

No portion of the Grant may be used to intervene in any election on behalf of (or in opposition to) any candidate for public office, to engage in partisan political activity as defined in the Code, or engage in activity in support of or opposition to a state or local ballot measure. The Grantee's failure to comply with any term or condition of this paragraph and the paragraph immediately preceding this paragraph shall constitute a material breach of this grant agreement, and shall entitle FPOS without prejudice to any other remedies that may be available to FPOS at law or equity, to immediately terminate this grant agreement with written notice to the Grantee and require the Grantee to return all funds from the Grant to FPOS.

FPOS hereby grants to the Grantee a revocable, one-time, non-transferable, non-exclusive license to use the Open Society Foundations name and logo trademarks (the "Marks") for the specific purpose of accurately indicating this grant and for no other purpose. The Grantee agrees to use the Marks as depicted in artwork supplied by FPOS and further agrees not to state or imply either directly or indirectly that the Grantee or its activities are supported, endorsed, or sponsored by FPOS other than as stated in this agreement. The Grantee shall notify FPOS of the placement and appearance of the Marks before each use by the Grantee. FPOS shall have the prior right to approve of the placement and appearance of the Marks before each use by the Grantee.

Beyond the rights and obligations specifically stated in this letter, FPOS disclaims any legal right to control or otherwise influence the Grantee's use of any funds provided pursuant to this agreement. Furthermore, it is expressly understood that by making this grant FPOS has no obligation to provide additional funding to the Grantee.

This agreement is the entire agreement between the Grantee and FPOS concerning this grant. Any modification, waiver, or amendment of this agreement must be agreed to in writing by an authorized representative of the Grantee and an authorized representative of FPOS. Notwithstanding the foregoing sentence, if FPOS approves a no-cost extension request of this agreement from the Grantee, FPOS electronic notification of such approval shall serve as an amendment of this agreement. A no-cost extension extends the grant period and/or modifies the reporting or payment schedules with no additional funding. Requests for no-cost extensions and other modifications shall be submitted through FPOS's online Foundation Connect system. The Grantee acknowledges that it is not relying on any representation of FPOS, except as set forth in this agreement, and that no representations FPOS may have made in the past survive.

The Grantee acknowledges and confirms that the Grantee will use the grant funds only in compliance with all applicable laws. In connection with this understanding, the Grantee acknowledges and confirms that it will not use the funds provided under this agreement, directly or indirectly, in support of activities (a) prohibited by U.S. laws related to combatting terrorism or money laundering; (b) involving persons identified on the List of Specially Designated Nationals (SDN) (www.treasury.gov/sdn), or entities owned or controlled by such persons; (c) in, or involving persons or entities operating, organized, or resident in, a country or territory against which the United States maintains comprehensive sanctions (currently, Cuba, Iran, Syria, North Korea, Venezuela, and the Crimea Region of Ukraine), including by providing services or support to persons resident in such countries or territories; or (d) that would otherwise violate, or cause FPOS to violate, economic or financial sanctions, export controls, or trade embargoes imposed by the U.S. government.

Should FPOS determine, in its sole, exclusive and confidential discretion, that the Grantee has engaged in, permitted or authorized activities in violation of this section, the Grantee shall return to FPOS in their entirety all monies paid to the Grantee hereunder.

The Grantee (i) understands and acknowledges that FPOS may ask the Grantee to provide signed certifications to FPOS confirming the Grantee's compliance with this representation at any point up to five years after the Grantee receives the final payment under this agreement, and (ii) agrees to provide such certifications upon request.

This agreement is made subject, at all times, to FPOS's compliance with all applicable laws and regulations, which may impact grant processing and payments.
